

10th Joint French Macro Workshop Paris, 9 December 2016

The Banque de France Foundation, together with the French institutions listed below, is organizing the 10th Joint French Macro Workshop on **9 December 2016**. The goal of this workshop is to bring together macroeconomists to discuss current research frontiers on a regular basis. To encourage participation from young economists, we aim to reserve 50% of the presentation for economists who have completed their PhD's no more than 6 years ago.

Applications from economists from all Europe-based institutions are welcomed in all fields of macroeconomics. Theoretical and empirical contributions are equally welcome. The keynote speaker will be **Francesco Lippi** (EIEF & University of Sassari).

The workshop is a one-day event which will take place at Banque de France (Paris) on 9 December 2016. A conference dinner is scheduled in the evening of 8 December. Travel and accommodation expenses will be covered.

Submission of papers

Potential presenters should submit their paper in electronic form (PDF format) to fondation.rech@banque-france.fr by **2 October**. The authors of accepted papers will be notified by **17 October**.

Program Chairs

Jean Imbs (PSE), Franck Portier (TSE)

To consult the programs of previous workshops, please visit the Foundation's website (www.foundationbdf.fr). If you would like to be included in future communications about this workshop or future editions, please send an email to fondation.rech@banque-france.fr
